PAC-KITS®

Premium A/C Service Kits

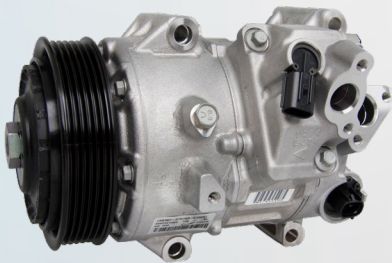

PAC-Kits® A/C Service Kits are assembled and shipped in one convenient package with all of the components you need to accompany an A/C compressor, ensuring a successful repair. These service kits offer greater coverage with fewer SKUs, allowing you to optimize your inventory.

PAC-Kits® A/C Service Kits include all of the following premium components, minus the compressor:

- ◇ Accumulator or Receiver/Filter Drier
- ◇ Expansion Device(s)
- ◇ Proper Oil
- ◇ All Necessary Gaskets & O-Rings
- ◇ Service Valves & Caps
- ◇ Tamper Evident Strap & Underhood Label

Pair with either a new or reman SMPT compressor for a complete repair.

OR

Benefits of PAC-Kits® A/C Service Kits:

- ◇ All components meet or exceed O.E. performance
- ◇ Application specific kits developed for maximum coverage with limited SKUs
- ◇ Save time by not having to order individual components
- ◇ New, expanded coverage

PROTECT YOUR INVESTMENT WITH TAMPER EVIDENT STRAPS

Tamper Evident Straps provide a fast and easy way to protect the integrity of your next A/C repair and your equipment from contamination. By securing these straps over the service ports, you can warranty your work with confidence knowing that if the vehicle returns with the straps damaged or missing, the system could have been tampered with since it was last in your shop. Unapproved refrigerants or sealers can be harmful to your recovery equipment if not detected and each strap has a unique serial number with underhood maintenance label to verify the repair. Tamper Evident Straps are included in all A/C Service Kits, providing additional protection on investment for both your shop and your customers.

- ✓ Fast and easy to use
- ✓ Individually serial numbered
- ✓ Protect against contamination
