

2019 NEW ITEMS APRIL

Featured New Items Pre-Packaged A/C Kits

Due to the success of our top 250 pre-packaged A/C Kit Program and repeated requests from the field, Four Seasons® is releasing an additional 42 PAC-KIT® part numbers increasing the total number of kits to 292. Now available, these kits come with all the components needed to do the job right the first time. Pre-packaged PAC-KIT®s are assembled and shipped in one convenient package with everything you need to perform a successful A/C compressor replacement while satisfying the warranty.

Kit applications available through
Epicor and Wrenhead!

Four Seasons requires the accumulator/filter drier and orifice tube/TXV valve to be replaced and the system completely flushed for compressor warranty. It is strongly recommended the condenser be replaced on vehicles newer than 2001.

Featured New Items Engine Coolant Components

Four Seasons® introduces a new Problem Solving Part with coverage for 940,214 VIO!

P/N 86205
VIO 940,214
Coolant Flange
(14-11) Audi TT
(14-06) VW Beetle

The Volkswagen 2.5L engine is known to have issues with the timing chain. In order to access the problem, the water outlet must be removed completely and could cause damage to the retainer clip and seal. Four Seasons P/N 86205 is the only complete assembly in the market. Previously the clip and seal could only be purchased from the dealer. Save your customer downtime and money by getting the complete assembly in one SKU.

Featured New Items Four Seasons introduces new late model, high VIO components.

P/N 73301
VIO 5.7M+
Blend Door Actuator
(18-09) Toyota Corolla

P/N 67580
