The Mammoth® CRUISER

The last personal cooler you will need. This light-duty rotomolded cooler is built with all of the features of a heavy-duty cooler and just as durable but light enough to be handled easily on any excursion. The insulated walls provide the ice retention necessary for keeping your items cold longer than traditional coolers.

Mammoth® Rover double wall vacuum insulated stainless steel tumbler with lid and rubber stopper. These sturdy tumblers will keep your drink HOT or COLD in any climate.
